

# 04.1 “SUPER SURE FIX” ROOF DRAIN IN IGOM.EE

ACCESSORIES FOR  
MECHANICALLY  
FIXED SOLUTIONS

“SUPER SURE FIX” is one of the best means of connecting a roof system to an outlet drain and is particularly indicated for use on flat roof applications for either commercial or residential buildings. The fastening and the seal between the roof system is achieved mechanically and thanks to its versatility the drain unit can be used with various types of waterproofing membranes. The unit and its accessories have been studied in the minutest detail thus giving a product which far surpasses the characteristics of other normal products currently available.
